*How The Lord Used Us in May, 2018*

Hello Brothers and Sisters:

Thank you for your partnership with us! We so appreciate your regular prayers and financial support that allows us to keep doing what God has called us to do!

At the urging of my friend and Chairman of our Board, I was blessed to attend the “Basics Conference” at Alistair Begg’s church in Chagrin Falls, OH in May. This was my first time at this two day event and it was a blessing! I learned a lot and made a few new contacts. In terms of our teaching schedule, we have hit the beginning of the annual summer slow down. We completed 2 MAD Live Events this month and were blessed to see 6 people give their lives to Jesus Christ at the events! Praise God!!! I also completed a Walk thru the Bible Old Testament seminar in NJ. We had 90 people attend and they were a loving, supportive, and fun group to present to.

The “Police Lives Matter” Gospel cards that we had printed are a huge success with police officers. I can’t tell you how many officers I’ve had the privilege of sharing these cards with and praying for their safety and eternal salvation. Not one officer has declined my offer! I look forward to sharing with these first responders every chance I can get.

We were blessed to have our daughter, son-in-law, and their family come and visit us for part of the Memorial Day Weekend. Our son and his family were also supposed to come, but their youngest son came down with the flu the night before they were supposed to leave. So they couldn’t come. We were disappointed that we couldn’t all be together, but look forward to them coming another time.

### SPECIAL PROJECT FINANCIAL REQUEST

Last year I taught 49 events in 7 states. We are on the road A LOT! With all of the traveling we do, I have been praying for God to provide us with a new or almost new RV for us to use in ministry. We would use this for the weekend travel as we do MAD Live Events, and instead of sitting in the church lobby for the 500+ time, Cathy could relax in comfort in the RV until break times. Then she would come in for the breaks to interact with people at our table. Up until to this point, we have been renting cars, staying in hotels, and eating all of our meals out. Instead, we would stay in the RV in the church parking lot, eat our meals in the RV and lodge in it for the night. The RV would eliminate the rental car, hotel, and cost of meals out. It would also solve the issue of what to do with our dog when we're traveling. He could stay in the RV with us.

The RV would also be used at the off-road parks for that part of our ministry. This vehicle would eliminate the need to drive back and forth from the parks every day, saving 5 hours of travel per day. We can't afford to stay in hotels every night, and tenting isn't a viable option for us. Also, we have discovered that most of the off road ministry occurs in the campgrounds and around campfires after the day's riding is done. We would use this to camp in the campgrounds and stay in the park after hours, sharing Christ with the people He connects us with.

God has blessed us with a connection to a brother in the Lord who owns a large RV dealership in NC. He is working with us and has priced us a suitable rig at his cost (\$65,000 after our down payment). If you feel led to help us with this request, you may send us a check. Just put "For RV" in the memo portion of the check. Remember, all donations are tax deductible. Thanks!

### PRAYER REQUESTS

- **SCHEDULE** - thank you so much for praying. As you can see from the schedule below, our summer is barren. We have a few events over the summer and the fall is filling slowly. This again is a testament as to how hard it is to get churches to schedule an event. It seems to get more difficult by the week. Please continue to pray about bookings and help us if you can. Perhaps God has kept our summer teaching schedule light so we can focus on the off road ministry which kicks into "high gear" beginning this weekend.
- We have been blessed to have a Sister in the Lord translate our MAD Live Event into Spanish. We are in need of someone to present the MAD Live Event in Spanish speaking churches. Would you pray for God to bring us someone who could do this as we seek to expand the ministry? The person should have what I call the "3 P's": They must be "Practicing" it every day, they must be "Passionate" about it, and they must be able to "Professionally present" the material.
- Healing - On April 27<sup>th</sup> I had an Amniotic Allegraft injection in my left knee. I am praying this will cure the ongoing knee issue once and for all. It's been two years since I injured it and had surgery and it has not been right every since. I will have my 30 day X-ray on May 29th so we'll see how it is progressing.
- For the funds to come in so we can purchase an RV for ministry.

Love in Christ,

*Cathy and Don*
