## ***How The Lord Used Us in July 2019***

*“We are unworthy servants who have simply done our duty.”*

Luke 17:10

Greetings Brothers and Sisters!

We didn't have too many events booked in July as we were supposed to be in Utah for the first week of the month, then driving home and then to NH for 5 days of ministry. Although we were unable to host and lead our Ultimate Adventure trip to Utah due to my heart attack on June 14th, our sovereign, omniscient God provided us with a brother in the Lord who filled in for us and led the trip. What a blessing! We will begin taking bookings for next year's trip in August. Let me know if you'd like to go.

We completed 3 MAD Live Events this month as well as being asked to speak twice on Sunday at the Alton Bay Christian Conference Center in NH. It was a nice surprise to be contacted by them and to be invited back after I taught there 10 years ago. Besides speaking on Sunday, I completed a MAD Live Event on Monday-Thursday evenings.

My friend Larry and his wife Beth accompanied us to NH. During the week Larry and I spent several days riding motorcycles in the mountains. I thank our Lord for sparing my life one day while we were riding. We were on a 2 lane road, speed limit 45 mph. I was rounding a sweeping left-hand curve, and a man driving a pickup truck coming the other way was either texting or doing something distracting. He failed to make the right-hand curve, came across the center line almost totally into my lane, and almost hit me head-on. I instinctively swerved hard to the right and Larry said he missed me by about 3 feet! THANK YOU, LORD! If I had been driving in a car, he definitely would have hit me head-on as there wasn't enough room to avoid him. God is good and not finished with me yet!

The 4 of us did get to travel to Freeport, ME so our friends could experience L.L. Bean's stores. The people at Alton Bay were incredibly loving and supportive. It was a pleasure for all of us to have been there.

The other 2 MAD Live Events were held in nearby NC and TN.

We did get out on the trails a couple of times this month to do some riding and share the Gospel with the folks we met on the trails and in the parking lot. There were also numerous opportunities to pray for waitresses and police officers as we traveled.
