

“Share your faith every day as a way of life!”

May 2024 - Monthly Report

Our Lord is returning soon! Are you ready to meet Him? Will you hear Jesus say to you, “Well done my good and faithful servant”?

We completed three M.A.D. Live Events in May. I received a phone call from an elderly lady in Franklin, NC. I had presented the M.A.D. Live Event in her church the last weekend in April. She thanked me for coming to her church to teach her how to share her faith. She was so excited to tell me that she has shared the Gospel with 3 people so far, and felt led to provide my police Gospel cards to the county Sheriff’s department. She has gotten permission and asked me to send her 60 cards to give to all of the officers! I told her I would send her some of "Pretender" cards to give as well. She said she already purchased them and didn't need me to send her any. WOW! Praise the Lord!

I am in charge of presenting the Gospel at our church’s food pantry, which happens twice a month. Sometimes I do the presentations, sometimes I ask others to share. This month I did it both times. As people come at different times, the Gospel is typically presented to 5 or 6 different groups over a 2 ½ hour span. Everyone hears the Gospel message before we load them down with food. At the first food pantry I shared about Biblical prophecy and shared 50 prophecies fulfilled in Jesus. The 2nd food pantry I shared how each of the original disciples were killed, with the exception of John.

In May, I was blessed to have been connected with 46 Divine appointments and shared the Gospel with each of them. I gave them some literature to take with them to read. I track my Divine appointments by writing them down in this little “Divine Appointment” book.

Concerning my health, my torn tendons in my left shoulder continue to heal. Thank you for your prayers. Cathy and I took a weekend to visit some of the the amazing waterfalls in TN state parks. During the trip, my left elbow beagn to hurt. It felt like it was out of place. I had an appointment shceduled with my nephew for a treament and thought he could just put it back in place. However, the day before, it swelled up, bruised, and was very painful. It was so painful that I couldn’t get a french fry into my mouth using my left hand! It turns out that I had partially torn the brachial and bicipital tendons...and I didn’t do anything to cause it! My nephew observed that all of my issues have been on my left side. He asked if I had ever had a head injury to the left side of my head. I told him that I was knocked out and partially paralyzed in police HQ back on December 1, 1978. I was struck in the eye socket and knocked over in a fixed back oak chair. He then said that the blow injured my celebillum and

that it was the cause of the failures (knee, shoulder, and elbow) on my left side. Wow!
Continue prayers are appreciated!

Is most of your Bible reading in the New Testament, because the Old Testament is confusing and difficult to understand? Would you like to understand it better and enjoy reading it? Ask your church leadership to consider bringing me in to teach the Walk thru the Bible "OTLive" Event! It's only 3-hours long including 2 breaks, and you'll learn 40 major people, places, and events from the 17 Old Testament history books with hand motions. It's called, "kinetic learning" and it is loads of fun! At the end of the 3-hours, you'll be able to recite all 40 people, places, and events in chronological order with the hand motions in less than 2 minutes. The Old Testament will come to life for you and become an essential part of your Scripture reading. Please call me directly if you're interested.

PLEASE PRAY WITH US

- Schedule - we needed bookings for July and beyond!
- My torn shoulder tendons are continuing to heal, although it's a slow process. Additional prayers for the elbow are appreciated!
- For us to find an organization to help us get our new TV quality video of our M.A.D. Live Event into more people's hands so they can be equipped to share their faith in Christ. The video is being worked on right now and Lord willing will be completed soon.
- Our regular monthly support has now risen to 66%. Please pray and consider helping us reach 100%.

Love in Christ,

Cathy and Don
