

“Share your faith every day as a way of life!”

July 2024 - Monthly Report

Hello Brothers and Sisters in Christ,

Summer is always a slow time for our ministry. With many people away on family vacations, churches are reluctant to schedule events during these months. This year was no exception. Therefore, this will be a short letter.

We had no M.A.D. Live Events this month. I did have the opportunity to speak at a Men’s Breakfast at the Moseley Campus of “The Chapel” in Virginia. Lord willing this will open doors for me to return there to do a M.A.D. Live Event at some point in the future.

I spent much time on the phone, following up on leads that we received from people who had attended our events from earlier this year. Phone work is a grueling process with very few actual conversations with pastors and very few return calls after leaving messages for them. But we press on! God know our hearts and our desire for a full schedule!

With the light schedule this month, and many weekends free, the schedule provided me the opportunity to do some off-road ministry on a trail system in SW Virginia.

In terms of one-on-one ministry, God brought me 30 Divine appointments in July. I shared the Gospel with these people and prayed with many of them.

We have lots of open dates in September that we would like to fill. It may be short notice, but if your church has interest in allowing us to come and minister, please let me know.

PLEASE PRAY WITH US

- Schedule - as you can see, we have very few events on the calendar going forward. Our goal is to be 2 churches on most weekends, excluding holidays. We covet your prayers and assistance for a full schedule.
- Finances - if you read some of our previous monthly letters you know that we rely on love offerings to provide 33% of our monthly income. With no events in July and only one in September, we pray that God will bless us with additional income and dates to teach.
- Health - Cathy's sense of taste and smell are slowly returning. My torn shoulder tendons continue to heal. We pray God will keep us healthy so we can continue to serve Him as He has called us to do.

Love in Christ,

Cathy and Don
