

“Share your faith every day as a way of life!”  
**August 2024 - Monthly Report**

Hello Brothers and Sisters in Christ,

We completed 3 M.A.D. Live Events this month, and at the end of one of our events, a lady in attendance gave her life to Jesus Christ and was born again! PTL! I also had the privilege of bringing the Sunday morning message at a church in NC in August.

I had a great month of one-on-one sharing the Gospel message as God provided me with 50 Divine appointments. I shared the Gospel with each of these people and prayed with many of them. Lots of seeds planted for the Holy Spirit to use!

Are you following what’s happening in our country and in the Middle East? Our world is spinning out of control and sharing the Gospel message with a lost world is more important than ever! I really believe that Jesus is returning soon for His bride. Some things to consider:

*“Hopefully you have discovered that sharing your faith is not an option for us as followers of Jesus Christ. The Lord has commanded us to ‘Go into all the world and preach the gospel’. In other words, He has told us to **Tell Someone**. And each of us has a strategic part to play. Some sow the seed of the gospel, others water the seed others have sown, and even others reap where people have already sown and watered. ‘I planted, Apollos watered, but God gave the increase’. 1 Corinthians 3:5-6. That’s right. God gives the increase. The Lord does not hold us responsible for how many have come to Him through our sharing. That’s his job, not ours. We are called to faithfulness. And that final day, Jesus will not say, ‘well done good and successful servant’, but rather ‘good and faithful servant,’ Matthew 25:23. We are to be faithful to share this message and leave the results in the hands of God.” - From Greg Laurie’s book entitled, “Tell Someone”*

*“Can you imagine how it’ll feel to look back at your life and realize there were adventures God intended for you to have, but you never experienced them? There was a purpose God made for you, but you never lived it? There were opportunities God put in front of you, but you never took them? There were stories you were meant to be a part of, but you turned and ran in the opposite direction?” - Kyle Idleman – one at a time*

*“Proclamation is not an achievement leading us to brag. It is a compulsion bringing its own reward. God’s love and His Spirit live in the believer, compelling every believer to proclaim the Gospel. The compulsion to proclaim the Gospel is rooted in the awareness that God has assigned us that task as believers.”*

*- Disciples Study Bible - 1Cor 9:16-18*

We have been blessed to have had our M.A.D. Live Event professionally recorded. The video recording is made up of six 45-minute sessions with intro and exit videos for each of the sessions. Please pray with us as to how this can be utilized to equip more people, open new doors for live teaching, and how we can use it without cannibalizing our Live Events, which are increasingly difficult to book.

On a personal note, our oldest grandson named Ethan got married this month. He is the first of our 7 grandchildren to be married. We welcome his new wife, Sydney, to the family and we wish them God's blessings!

### **PLEASE PRAY WITH US**

- Schedule - for God to open new doors of ministry in churches. This is a constant need every month
- For Good health so we can continue to travel and equip the body of Christ
- For God's wisdom and guidance as to where and how to use our new videos of our M.A.D. Live Event
- With the slow schedule, please pray that God will continue to supply our financial needs that He normally provides through the love offerings. With no live events....no love offerings. We pray the finds will come in through other means.
- For God to use the many Divine appointments that He provides to save the people that I have shared with

Love in Christ, *Cathy and Don*
