

**“Share your faith every day as a way of life!”**

## ***February 2025 Ministry Report***

Greetings!

In February we completed two M.A.D. Live Events, equipping another 175 people to begin sharing their faith every day as a lifestyle. We were blessed to be a part of 1 lady giving her life to Jesus Christ! Glory to God!

We also completed a Walk thru the Bible “OTLive” event in Daytona Beach. 63 people participated in this 3-hour event. I had a lot of fun presenting it and enjoyed fellowshiping with our brothers and sisters in Florida.

While I was in Florida at the beginning of this month, we recorded a new 90-minute video recorded in 6 short segments, of our M.A.D. Live Event. We hope to get this online for people to use to be equipped and to whet their appetite for a full M.A.D. Live Event in their church. Thanks to brother Rick Dean from WFMZ in the Lehigh Valley of PA for doing this for us.

In totaling up my Divine appointments for last month, I was blessed to plant Gospel seeds for our Holy Spirit to use in the hearts of 38 people. The breakdown I recorded is as follows:

Police Officers – 11

Veterans – 5

All Others – 22

Veterans are one of the easiest groups of people to share with. We all see them in stores, restaurants, at gas pumps, and pretty much everywhere. They are easily identified by the hats they are wearing identifying where they served. They are so grateful when I take the time to stop them, shake their hands, and thank them for their service and sacrifice. I then give them one of the Veteran Gospel cards that I had printed for such occasions. I occasionally will also pray with them if time permits. I designed and had these “Veteran Gospel Cards” printed, and I have been using them for quite some time. I order them 1,000 at a time. I decided to offer these in packs of 10 to those attending our M.A.D. Live Events for free if people would share them. Our brothers and sisters have already taken over 3,000 of these to be shared with veterans that they come across as they do life.

Veterans, you have made a monumental impact on our nation and lives. Thank you for defending us in the face of many dangers and for everything you've done for us. We will never forget you nor what you gave for our sake. Our current and future generations have you to thank for the freedoms we have and will have. It is a privilege to live in a place you worked so hard to preserve. Although "Thank you" seems woefully inadequate for not only what can be rightly described as your heroic efforts, but also your commitment to protect our nation. There are many people like me who greatly appreciate your sacrificial service. It is with great appreciation and respect for you not only as a veteran, but as a human being, that I share the following with you. Every human being will one day stand before their Creator to give an account for their life. God, the perfect Judge, will judge you according to the law He has written on your heart. You know it is wrong to lie, steal, take God's name in vain, engage in sexual immorality, or hate another human being because you were created in the image of God, and God is not a liar, thief, bigamist, fornicator, adulterer, or murderer. Because God is good, He must punish sin. This punishment He has determined for sin is eternity in hell. Yet, God has also provided a way for you to be declared innocent and receive His forgiveness. Your only hope is for Jesus, the God-Man, to save you from the wrath of God. God the Father sent His Son, Jesus Christ, to earth fully God and fully man, yet without sin. He voluntarily shed his innocent blood and died on the cross, taking upon Himself the punishment you rightly deserve for your sins against God. Three days later, He forever defeated sin and death when He rose from the grave. Repent and believe the gospel while God has given you time. I am praying for your safety. I created a new M.A.D. Live Event promo flyer that I plan on using to get a pastor's attention. It includes a quote from “The Barna Group” that says that only 1% of all the pastors surveyed say their church is very

effective at evangelism! ONLY 1%! That means 99% are not. This should create the opportunity for pastors to call on us to help. I will email it to you to see and use shortly. Thanks to Cliff, owner of Genesis Studios in Cayce, SC for his help with turning the text I gave him into an amazing, powerful tool for the Lord to use to open new doors of ministry for us! Also, he was the man who designed my book cover.

### **PLEASE PRAY WITH US**

- For the families in TN and NC who lost loved ones, homes, jobs, and possessions due to the hurricane. Pray for the workers and volunteers who will help clean up and for the Gospel message as it is shared with those who've lost everything. Many more have been injured or killed than are being reported. Please pray for all affected!
- Schedule - As you can see, we have many, many open dates. They are highlighted in **RED**. It starts with prayer, but if you can help with your church's leadership, that would be a blessing!
- For good health so we can continue to travel and equip the body of Christ
- For God's wisdom and guidance as to where and how to use our new videos of our M.A.D. Live Event
- With the slow schedule, please pray that God will continue to supply our financial needs that He normally provides through the love offerings. With no Live Events....no love offerings. We pray the funds will come in through other means.
- For God to use the many Divine appointments that He provides to save the people that I have shared with

Love in Christ,
