

“Share your faith every day as a way of life!”

## March 2025 Ministry Report

Greetings!

We were blessed to have a good month of ministry, similar to the ones we used to have pre-pandemic. We completed six M.A.D. Live Events in five states, including our first event in OH. Praise God for saving two people at our events! We also were blessed to be a part of the Missions Conference at Calvary Baptist Church in Reading, PA. This church is one of several churches that have been supporting our ministry work for years. I was also able to attend the Turning Point Faith's Pastor Conference in Gainesville, GA, and make some new Pastoral contacts.

For those on our group email lists, you received a VERY BIG prayer request from me over a week ago. I asked you to be in prayer for God to provide us with a Class A motorhome for us to travel in to minister. This tool will make our time on the road less expensive and, more importantly, easier for us. One day after sending the email out, I was contacted by a lady who got saved at one of our trainings years ago in NY State. She emailed me and said her boss, Jason, had a Class A motorhome for sale....for \$80,000. I politely told her that we cannot afford to buy one and that if God wanted us to have one, he'd have to provide it for free. If He didn't want us to have one, we would be OK with that and just continue traveling as we are now. As we traveled to PA for the Missions Conference on the 14<sup>th</sup>, her boss called me. He said he and his wife are fellow believers. They had scoured our website, and he asked me to tell him more about our ministry. After sharing with him, he said that he and his wife prayed about it, and they want to donate the motorhome to our ministry! Thank you, Jason and Tina, and GLORY TO GOD! It's a 33-foot 2016 Newmar Bay Star Sport 3306 with 33,000 miles. We need to add Bluetooth to be able to make phone calls, but it's not too much to spend on a gifted vehicle. Thank you for praying! God is good!

### MY DIVINE APPOINTMENTS IN MARCH

I had a great month of sharing the Gospel one-on-one. Here's the breakdown:

- 24 - Police
- 4 - Veterans
- 20 - Others

I created a new M.A.D. Live Event promo flyer that I plan on using to get a pastor's attention. It includes a quote from "The Barna Group" that says that only 1% of all the pastors surveyed say their church is very effective at evangelism! ONLY 1%!

413 Cedar Grove Road - Johnson City, TN 37601-7069

P - (423) 444-5594 E - [don@donsunshine.org](mailto:don@donsunshine.org) W - [www.donsunshine.org](http://www.donsunshine.org)

That means 99% are not. This should create the opportunity for pastors to call on us to help. Thanks to Cliff, owner of Genesis Studios in Cayce, SC, for his help with turning the text I gave him into an amazing, powerful tool for the Lord to use to open new doors of ministry for us! Also, he was the man who designed my book cover. If you want to pass a flyer to pastors you know, please let me know, and I'll email you a .PDF for you to print and share. Thank you!

### **PLEASE PRAY WITH US**

- Praise God with us for His provision of a motorhome for us to use as we travel. Please pray it will remain mechanically sound and we'll be safe traveling and staying in it.
- Schedule - As you can see, we have many, many open dates. They are highlighted in **RED**. It starts with prayer, but if you can help with your church's leadership, that would be a blessing!
- For good health so we can continue to travel and equip the body of Christ
- For God's wisdom and guidance as to where and how to use our new videos of our M.A.D. Live Event
- With the slow schedule, please pray that God will continue to supply our financial needs that He normally provides through the love offerings. With no Live Events....no love offerings. We pray the funds will come in through other means.
- For God to use the many Divine appointments that He provides to save the people that I have shared with

Love in Christ,

*Cathy and Don*
