

Share your faith every day as a way of life!

How The Lord Used Us in February of 2017

Hello Brothers and Sisters!

Cathy and I praise God for a wonderful, full month of ministry. We completed 6 MAD Live Events, equipping another 300 people to begin sharing their faith in Christ, one Walk thru the Bible Old Testament seminar, and I preached a Sunday morning message. In all, we saw the Lord save 6 people at the events and many seeds were planted. All glory to God!

Here are a few of the testimonies that we recently received:

"I was in a home superstore a couple of weeks ago and passed by a young man pushing a baby in one of the store carts. It was January and the man was dressed in a t-shirt, shorts, and flip flops and it was obvious that he had been crying. I asked him about his little girl, then asked if there was something that he would like me to pray about. He'd just had a fight with his girlfriend (the baby's mom) and he took the little girl for a walk so he could sort out his thoughts. He had been in jail and some of his friends had turned their back on him. He said that he was down to the last person he knew of that he could call for help. I was able to pray for him and share the gospel with him. We exchanged cell phone numbers, and shortly after this conversation, his girlfriend called me to say "thank you" for encouraging him. We prayed together over the phone and I was also able to share the gospel with her. I could use the gospels of John because I'm trying to help them with some Christian resources, as well as help them to find a local church."

"My husband and I are friends with a very nice man who is from Japan; he is very curious about spiritual matters. My husband has been witnessing to him for quite some time. Our friend speaks English but he may understand the gospel more clearly written in his native language. I thought I would give him this pocket testament Gospel of John and a few more to share with his family. Pray he will yield his heart to Christ and understand what Christ has done for him. Thank you."

From a man who attended the MAD Live Event this past Saturday: *"You talking about make believe Christians really got to me. That was the kind of Christian I had been, but thanks to you and God's grace, I am truly saved."*

MAD LIVE EVENT SOON TO BE IN SPANISH

This is a new door of ministry the Lord is opening up so our Spanish speaking brothers and sisters can be trained to share their faith in Christ every day. PRAISE GOD! Jaime ("Jimmy") Gonzalez and his wife have been completed translating the MAD Live Event website, flyer, our Event Agreement, and the handout. They hope to have the PowerPoint presentation done very soon. Please keep Jaime and Annabelle in your prayers as they work on the translation. Please be praying that all the pieces come

together and this will happen soon!

PRAYER REQUESTS

Thank you for your continued prayers regarding our schedule. As you can see, God is at work answering them! There are some incredible doors being opened. Please pray for the requests below:

- For God's protection on us as we travel. I had a blowout on the Interstate this past Friday and changed the tire on the side of the road. Not a fun position to be in. I praise God for safety and that it went smoothly.
- For God's Spirit to move powerfully each time we share
- For continued healing for Cathy and me. My knee and thigh issues still persist, and she has been fighting a sinus infection and cough.
- For Jaime ("Jimmy") Gonzalez as he and his wife complete the translation of our MAD Live Event to Spanish
- Pray for our schedule. We continue to work to fill 2017!

Love in Christ, *Cathy and Don*
